TRUTH

"Hey son – where's your hall pass?"

"Hey miss – that skirt's a little long, don't you think?"

"Hurry! We only have 10 minutes to get back!"

"A parkin' ticket; I knew I should have gone to the beach today!"

"What do ya mean? This is the same beard I had last year!"

"But officer – I'm in a hurry!"

"Alright, who put my VW on the sidewalk?"

"Have you ever heard of the Pink Card Burners?"

KNOWLEDGE

"What I need to know is how to finish this project!"

"Is this what I waited two years to get?"

"I didn't know there was so much analysis to analyze!"

"All my life I've known that pie are round and then some teacher comes along and tells me that pie-r-square!"

"O.K., Who was the wise guy who spelled Norview wrong on the library table?"

"I know all the answers when I'm not called on."

To a very nice girl I have known through all the following years! Good luck in your future — Margaret Wiggins "71"

. . . WE REACH OUT

ADVENTURE

"You know, this is the first time I've been on a field trip and the driver didn't get lost!"

"There are more dangers in sophomore gym than hockey sticks."

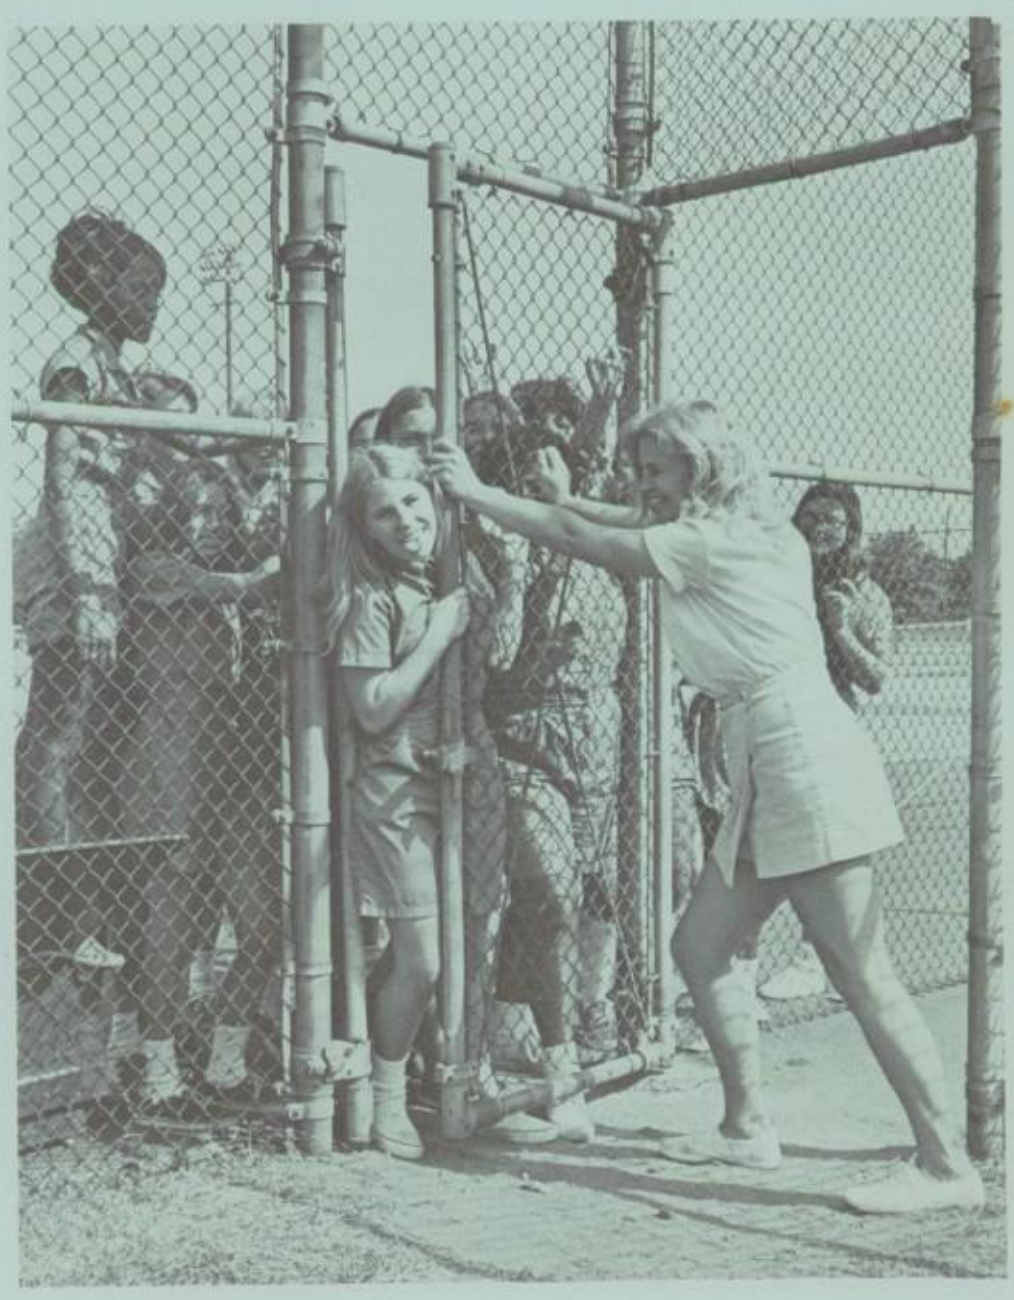
"And the next time you wreck the car . . ."

"Talking about adventure, have you ever tried to get a coke at halftime during a game?"

"Sure I want to go, but on a big yellow school bus?"

"It must be spring, no one is here."

"Oh, rats, I cut my worm wrong."



THE SEEKING GENERATION

Good luck to a fine girl. It's been nice knowing you. Keep in touch. Always, Pat Gould 11

ACHIEVEMENT

"Remember that fire drill we had this morning? Yea, well, I goofed in Chemistry today."

"Home coming — I knew we could do it."

"Gee, this fall weather . . . I keep paintin' these leaves on and they just keep fallin' off . . ."

"I got away with chewing gum in all my classes."

"I don't believe it, I actually made it through the year without falling down the blasted stairs."

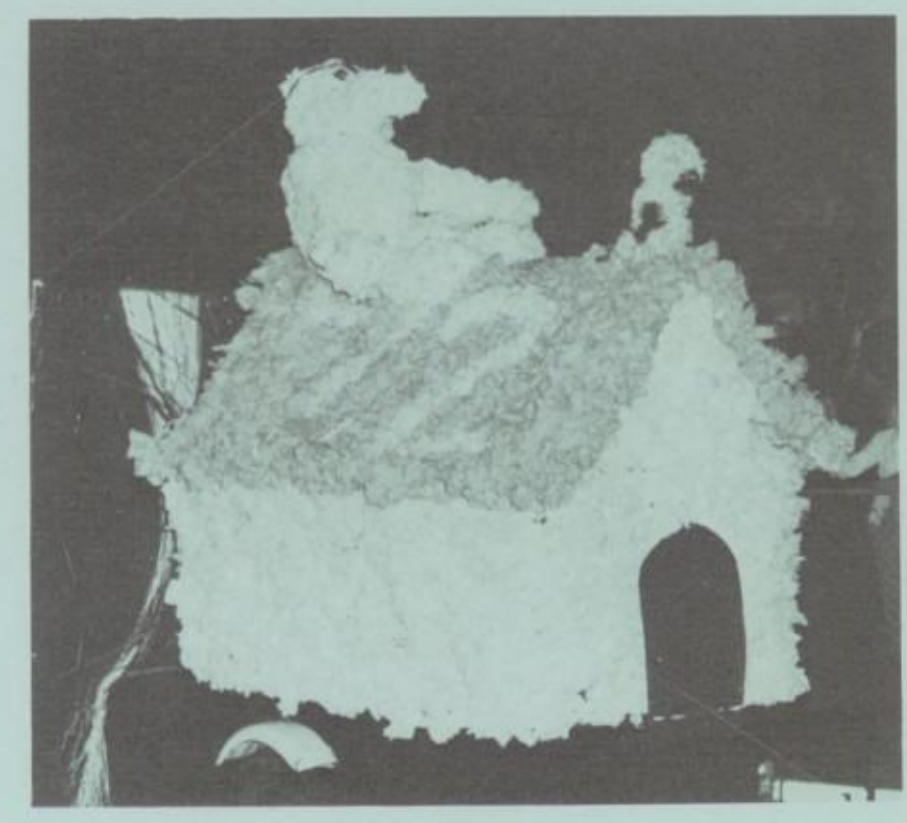
"After twelve years, I'm out! Now what do I do?"

"You mean I got an 'A', I didn't know they made 'em in my size!"

"Did you know I just got suspended for the third time."

. . . WE REACH OUT

UNDERSTANDING



CO-OPERATION

"Why don't we put a go-go girl at each end of the float to give it a little class?"

"If you don't stop shaking that ladder . . ."

"Nurse, it seems that we have an acute case of extrasapular secretions in the preoptic area of the hypothalamus here."

"When we play with **my** football, we play by **my** rules!"

"Hey teach, do you want to skip third bell?"

"Stupid car! It didn't need that fender anyway . . ."

"I'm not going to turn myself in for skipping. They'll have to find me first!"

And all the little children said, "Yes, Mr. Vance!"

"Clean up the parking lot? Again??? Where is it?"

COMMUNITY

"Nancy, I have the feeling that someone is watching us."

"What a small sack. Even Santa was hit by inflation!"

"Did anybody see the Cream of Wheat?"

"Our club sold 1,342 doughnuts this year, and ate 2,522 in the process . . ."

"You can't give me a ticket, I passed driver's ed!"

"Yes, I went around collecting – can I help it if I only got 64 cents?"

"Maybe I'll lose some weight this year after all! Even though there's a school next door, I have to walk 3 miles every morning."

PILOTS HAVE WINNING

Spirited and enthusiastic fans were a factor in helping the Norview Pilots relinquish a hard-fought 8 and 2 record. The Pilots started off their 1970 season with a victory over Kellam, 22-0. The following week the Pilots traveled to Cox to hand the Falcons a 20-0 whipping.

With two opening victories to their credit, the fired-up Pilots, before a home capacity crowd, gnawed at the superior Wilson defense and dealt the Presidents an 8-0 upset victory. It was actually the tremendous work of the Pilots' defensive unit led by Otis Purvis, Walt Kindred, Harry Minium, and Tim Albert that tortured the Wilson runners and receivers. Before that victory, Wilson had beaten the Pilots for the past two years.

Norviews next game was away to face a tough and powerful Princess Anne team. The end result was an upset defeat of 12-7 handed by the Cavaliers. In the weeks to come, Norview regained its momentum after their loss to P.A. and defeated Lake Taylor, Granby, Kempsville, and Bayside in route to an Eastern District clash with Maury. There was a near capacity crowd at Foreman Field to watch the battle for the Eastern District Crown. But, the Pilots could do no right and the score proved it; Maury 31 and Norview 0. This was the second defeat for the Pilots and the Commodores won the Eastern District Crown.

The last home game that the seniors would attend matched Norview against B. T. Washington. It was a hard fought game until the last quarter when Norview got serious and won with a 14-0 victory. It was the Pilots sixth shut-out in ten outings.

It was the superb coachmanship of Bob Tata and the fantastic running of Larry Stepney that illustrated the power of the Pilots. Credit should also be given to the other offensive players and to the rock-hard defense for Norview which only gave up an amazing 67 points for the season.

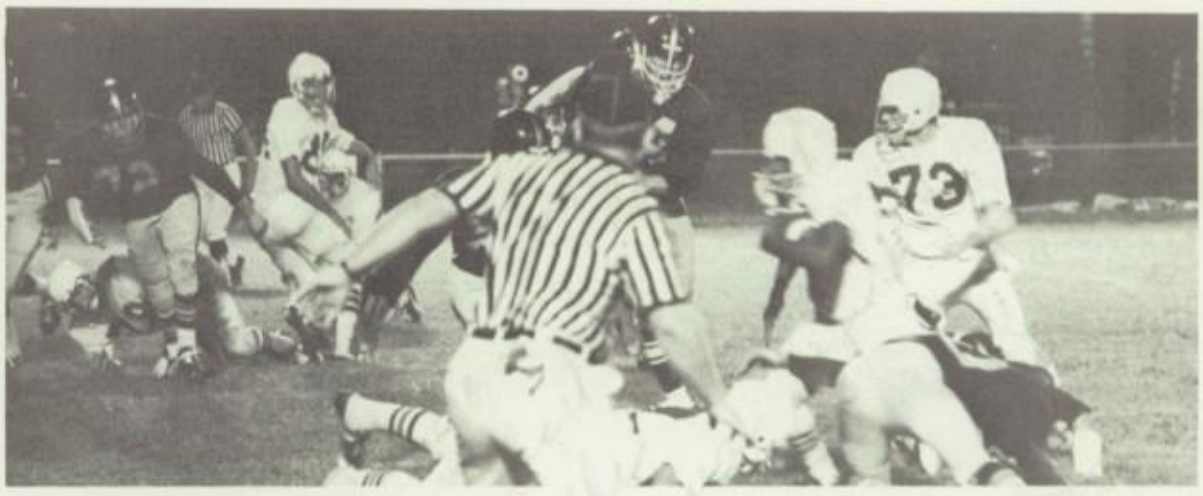
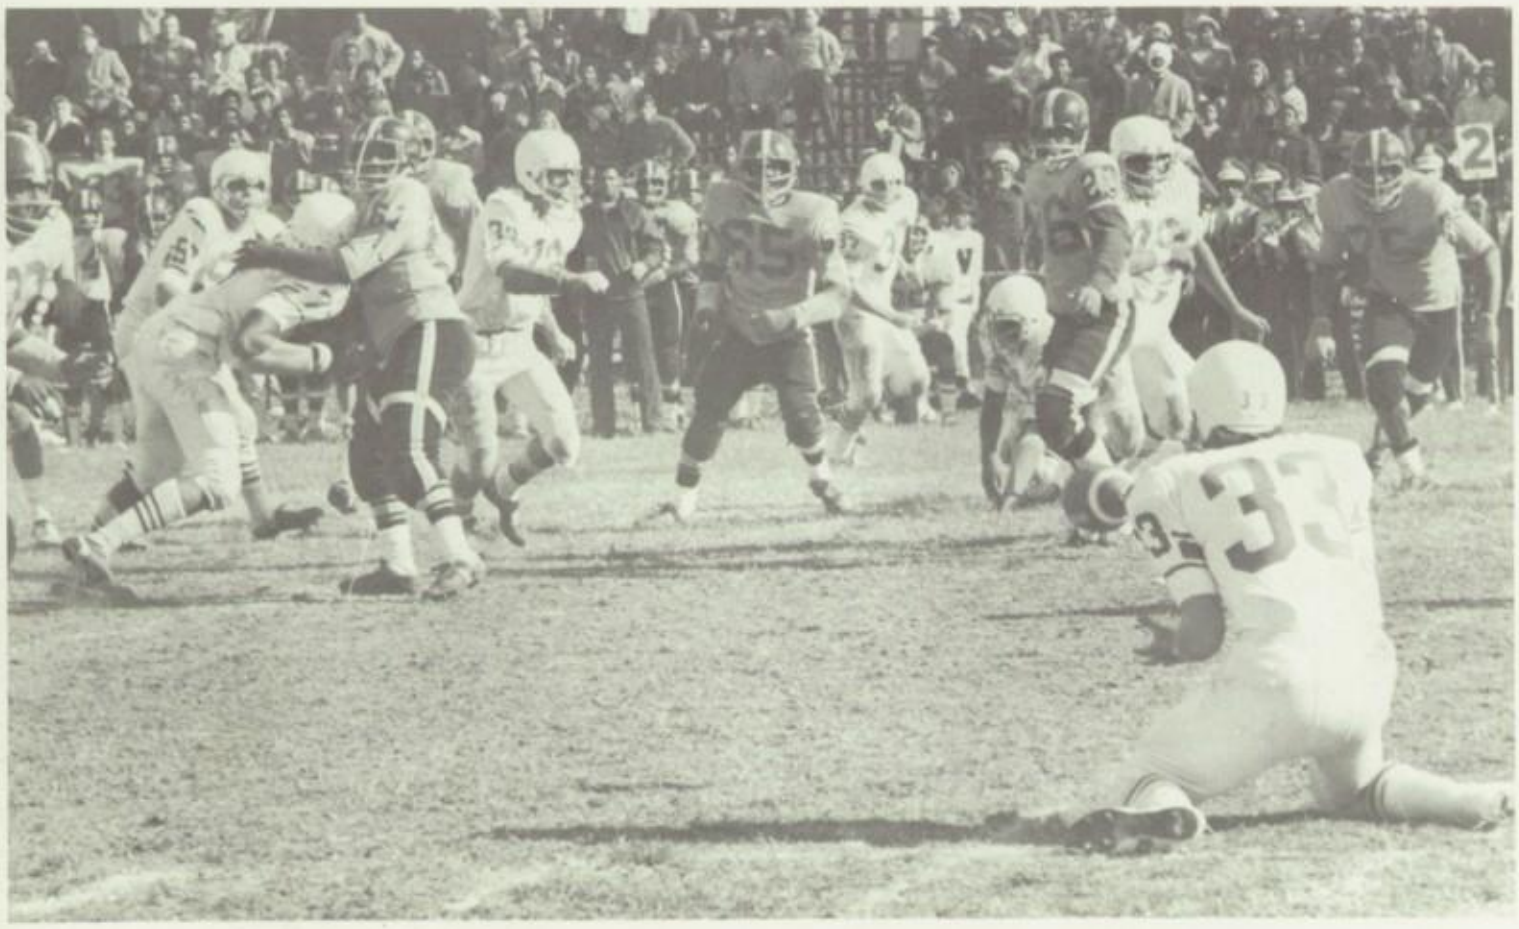
DO IT AGAIN!"



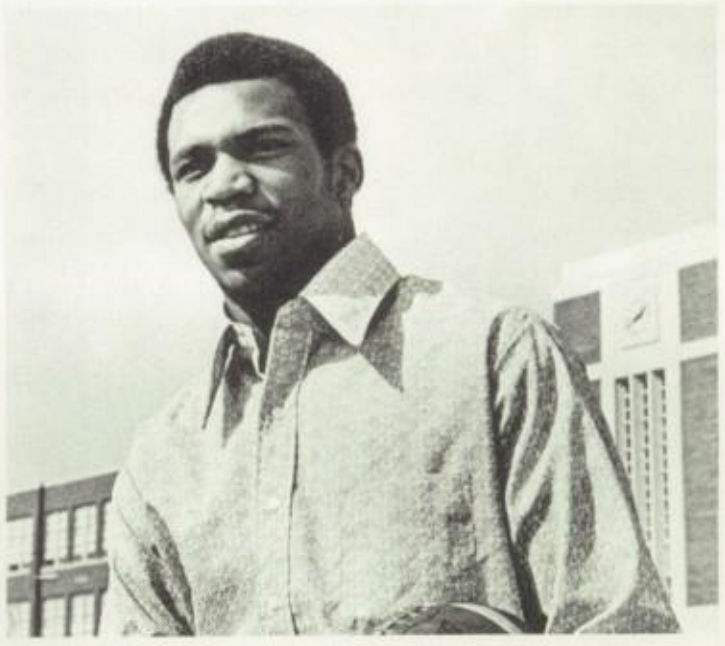


THE SPARK THAT IGNITED THE FLAME

"#42 has got the ball!; and he's off, rushing for that end zone. Past the 30 yd. line, past the 20, past the 10, is Stepney going to make it? He's over, TOUCHDOWN!!!, the mighty Pilots have done it again . . ." Such was the relay practically memorized by all press box announcers. Larry Stepney seemed to have the uncanny ability to pick his way through any offense, and posessed the speed to see it through. With Larry backing up the mighty Pilots, and the Pilots backing up Larry, who could go wrong? Theteam's record has justified the answer.

As a junior in 1969, Larry made a record never before accomplished by a halfback in the area. He became No. 1 in total offense by 100 yds., an honor reserved for quarterbacks in previous years. For the year 1970, Larry polished off his record with 1,389 rushing yards, astonishing fans every inch of the way.

That wasn't all. Stepney received All-Tidewater, All-Metro, All-Eastern District, All-State, and All-American honors. Not to be left behind in his school life, Larry Stepney bears the titles Mr. Football, Mr. Senior, and perhaps most importantly, Mr. School Spirit.



Above right: Larry Stepney, the man with the ball. **Below right:** Question: "Does he ever put it down?!" **Below left:** Backed up by a strong defense, Larry is able to weave his way through the impossible.

J.V. FOOTBALL

First Row: Coach Jim Brown, Jack Morse, Larry Lamb, Barry Morris, Allan Rose, Coach John Tigmo, Pete Hard. **Second Row:** David Bond, Andrew Joyner, Mike Lee, Jeff McKenzie, Mike Benzel, Donnell Tillery, Len Baum, Bob Barrington, Tim Griffin, Frank Mani. **Third Row:** Randy Rusbulot, Paul Taylor, Dan McCarthy, Carl Porter, Guy Stevens, Robert Gurney, Randy Rienerth, Mack Brown, John Whitman. **Fourth Row:** Carl Spruill, Moses Powers, Russell Foster, William Washburn, John Dills, Artie Hunt, David Brinkley, Steve Trievel. **Fifth Row:** William White, D. T. Joyner, Tom Drake, Gerry Peguese, Herbert Riddick, Robert Freeman, Stan Freeman, Tim Shook, Frank Baber. **Sixth Row:** Mike Stiltner, Randall Johnson, Charles Emerick, John McLin, Robert Kirby, Kevin Ferguson, Bobby Hood, Manager Wayne Sandifer.

The Baby Pilots of the 1970 football season had the highest scoring J.V. team in Norview History. It was the quarter backing of Jack Morse and the receiving of Steve Trivel and Russell Foster that complimented the ground game. Larry Lamb and Gerry Peguese lead the young Pilots on defense in order to run up a record of six wins and one loss. The heartbreaker of the season was a 20 to 6 loss to the Maury Commodores. It was a great season and Coach Brown and Coach Tata are looking forward for these boys to help carry the Varsity on to victory next year.

"Foul on number 13 . . . basket gooood! Number 55, stop pushing under the boards! Sit down coach, I'm refereeing this game, not you! . . ."

Enthusiasm and despair is what the 1970-71 basketball season was all about. The despair of the season was the many close games that the Pilot cagers lost in the last few seconds of the games. The potential of the team was overwhelming, but the record shows otherwise. The pilots started off the season with a decisive victory over the Wilson Presidents. The next week the Pilots stayed home to host Norfolk Christian. After this loss the Pilots turned it on and romped past the Granby Comets. A few days later they squeezed by Northwestern of Elizabeth City. Several games later came the upset of the season when the Commodores of Maury brought their forces to the Norview gym to battle with the Pilots. The outcome was a victory over the Commodores which had not been done in the past five years. The victory for the Pilots handed Maury their first loss in 9 outings.

After the victory over Maury, the games were close, but the outcome never favored the Pilots. Credit should be given to Coach J. P. Brown and to the outstanding play of Wesley Stith, Elvin McCauley, Don Johnson, Gene Brown, and Kevin Weller. These five players, plus the superior play from the bench, helped support the belief that Norview is Number One.

Looking forward to an outstanding year next season, Coach Whitley said that 10 out of 12 Varsity wrestlers with three undefeated Jr. Varsity wrestlers were coming up. These men were Mark Howie, Junie Blackwell and Mike Benzel, all 8th graders.

Coach Green began the season without any lettermen returning from the previous year's team. The harriers won one dual meet while losing five. Robert Jennings received a medal from the Eastern District for finishing in the top fifteen at our annual district meet. The team finished eighth in the district. The only city school to finish higher than Norview was Maury. With four juniors and two sophomores returning to our team Coach Green feels that we will have a very good team next season.

Dancing, who doesn't enjoy it? The members of the Modern Dance Club would be the first to ask the question. These girls find enrichment from physical activity, and enhance their appreciation of all the arts through creative expression of dance.

After being chosen, the girls found themselves representing Norview at the city-wide dance competition and dance festival. They also performed at various high schools and clubs around Norfolk. Here at Norview, the girls often danced at several athletic events. Perhaps the most important function of the Modern Dance Club is the opportunity provided for its members to make friends and develop social relationships.

Twenty-one sparkling girls competed for the title of Miss Pilot Princess on February 27. The girls were judged on personality, poise, beauty, and talent. "Up, up, and away" was the theme of the pageant which was sponsored by the Keyettes. Judging were Miss Norfolk, Marva Congleton; City Councilman, Joseph Jordan; and Miss Black from John Robert Powers School.

Following the introduction of the contestants, each girl was asked a "light question". After the performance of several competitors, the seven semi-finalists were announced. They were: G. Paetzold, C. Cudworth, D. Lesner, R. Felarca, J. Miller, M. Sedgewick, and A. Wynn. Candy Cudworth was then chosen Miss Congeniality. Each semi-finalist was required to do an improvisation which provided the judges with one last opportunity to view all seven. Two remaining talent presentations were offered and then the evening came to a close with the announcement of the winners. They were: Grace Paetzold, Miss Pilot Princess; Candy Cudworth, Attendant; and Angela Wynn, Maid of Honor.

GIRLS' STATE

Patti Loggans, Pam Hughes, Jane Berryman, Marcia Montervino, Valerie Jennings, Gail Adams.

Citizenship, patriotism, and awareness of the responsibilities we face in our country and communities were a few results of the 1970 session of Virginia Girls' State for six Norview juniors. Every summer the American Legion Auxiliary sponsors a week-long session at Radford College for girls with outstanding leadership and scholastic qualities. Pam, Valerie, Jane, Patti, Gail, and Marcia met girls from all over Virginia and exchanged many new ideas during their week stay. They attended assemblies, rallies, and lectures about patriotism and our city and state governments. since Girls' State's purpose is to train future citizens and leaders and to spread a greater respect for our country and government. Two political parties were formed, The Nationalists and the Federalists, and the girls became busy choosing their governor, lieutenant governor, and attorney general. The week of June 14th will be fondly remembered by our six girls for the friends made, the rivalry between dorms, the chanting marches, the new ideas that were formed, and for the renewed faith in the American way of life.

SENIOR NIGHT

Jewell, H. Hankins, P. Scott, and P. Abad; Rosanna Savine was crowned Miss Senior while Larry Stepney accepted his title of Mr. Senior. Vēnī, Vīdī, Vīcī, were words once spoken by Caesar; but they still hold as much wisdom for today as they did when Caesar lived. The spirit of ancient Rome still exists, and through the Latin language, members of this club were able to unlock many doors that revealed past culture, ideas, and customs. At the meetings, discussions of projects and activities were beneficial.

They worked hard at reproducing a Spanish atmosphere which helped to bring Spain closer to its members. This year the students enjoyed Spanish food, a variety of movies, and a number of acknowledged speakers to enrich their taste for Spanish culture. At the end of each year, a banquet is held to honor the graduating members.

It strives to enrich the members experience in foreign culture, notably that of France. The students meet once a month and usually participate in a program designed towards the cultural experience. These goals are fulfilled, much to everyone's pleasure, as can be seen by the high rate of attendance. The greater part of the meeting is conducted in French and only near the end are students allowed to speak in English.

The French Honor Society deserves credit for beginning an exchange program to the language organizations. The meetings are no longer closed to members only, but all those interested in French culture are welcome to come.

STAFF

Maybe you thought they were just students or another group of ordinary kids, but probe a little deeper and you'll find that these students cornered the largest operating business at Norview. They formed the Pilot Staff, brought together to manufacture a yearbook. They unified themselves with an idea of presenting a yearbook to Norview that would be a clear reflection of the students, Norview, and the community that surrounded them during the 1970-71 school year. Composed of Layout, Copy, Business, Sports, and Photography Staffs, its members and their editors used their talents to capture important events memorable for the students of Norview. There were difficulties and many people to satisfy, but with the co-operation of faculty and business associates, everyone's needs were met as well as possible. At first, their job seemed never ending, but by helping one another during school hours, late nights, vacations, and weekends, their work materialized into these pages.

Mystery, drama, comedy, adventure, poems, stories, essays, jokes; whatever your pleasure – the Piloteer Writing Club has it. In the three editions of the Piloteer, interesting and informative literary works written by fellow students were published.

The club has encouraged writing talents and interest in literary functions of the school. The members of the staff have improved portions of the Piloteer to make it a more appealing publication. It was a great deal of work, but fun was also a project of the Writing Club. Parties at Christmas and at the end of the year added enthusiasm to the making of a great magazine and a great organization.

Miss Washburn selects members of the Co-Pilot who have shown the most outstanding journalistic work, Mr. Vance chooses members of the Pilot staff who have achieved the most outstanding leadership, and Mrs. Smith for those on the Piloteer who have displayed the most outstanding achievements. It is a great honor to be chosen for Quill and Scroll; as it is recognized throughout the United States as being one of the top six high school organizations. The annual banquet, which is held in December, is the main event of Quill and Scroll.

The Forensics Team is formed of students with an outstanding ability in literary fields. They compete in district and statewide contests in public speaking, poetry reading, spelling, and creative writing. The students attended lectures, plays, and poetry readings; all for a desire of self-improvement. They used their time to usher at the Norfolk's Little Theatre and often visited childrens and veterans hospitals. The members of the Literary Honor Society have found fulfilment in both literary and social fields.

"Builders of Good Citizenship"—this is a good way to discribe Jr. Civitan. Cultivating social relations, showing good fellowship, and co-operating in all sorts of activities, are just a few of the things that help this club to promote clean living and good sportsmanship. This year, Norview's Jr. Civitan has raised money for the children of the Jr. Civitan Camp in Chesapeake, cleaned up Norview, and had a successful coffee house in the cafeteria. Jr. Civitan has kept very busy this year, as can easily be seen by their outstanding achievements.

A service organization, serving both school and community, is a good way to describe the Key Club. The members of the Key Club learned to work together, promote good will, and prepare to be the leaders of tomorrow.

Giving homeless children a temporary home, making trips to St. Mary's Infant Home and collecting for the Salvation Army are only a few of the activities that have kept the Key Club busy this year. One can certainly see that the Key Club has lived up to its motto – "We build."

As one of the most active clubs at Norview, the Keyettes add zest to their school.

Physical and academic participation, this is Norviews Monogram Club. These guys have won a Varsity letter in either football, wrestling, track, basketball, baseball, swimming, or interscholastic sports. They have carried with them an air of good sportsmanship, giving Norview pride in all athletic events.

The Monogram Club held meetings each week and the attendance was impressing. The selling of Pilot key chains and jerseys were very successful projects for the club. The Monogram Club also used their time and energy to help out at various sports events. The responsibilities these young men have learned have not only made them physically fit for future athletics, but also fit for life in their communities.

"Service, Education, and Progress", formulate the Future Business Leaders of America. The F.B.L.A. of Norview has shown a progressive surge and determination from a state of almost non-existance. The young business leaders entered in local, State, and national competitions and did extremely well.

The F.B.L.A. provided leadership opportunities in the field of business, and education in vocational, office, and business procedures for its members. Participation in community and school activities was also a large part of F.B.L.A. The Norview chapter gave Thanksgiving baskets to needy families, had Christmas parties for children in local hospitals, conducted fund raising activities, sponsored guest speakers in various business areas for discussion on important topics, and participated in Norview's Homecoming.

The F.B.L.A. of Norview High School has had a very productive and successful year. The knowledge and experience its members have obtained will provide them with a running start in the world of business. These students are America's future business leaders.

Norviews Varsity Cheerleaders are bubbling, high spirited young ladies who are able to perform co-ordinated cheers and succeed in spreading enthusiasm throughout the school. To show all sports participants that they were appreciated, the girls painted signs, decorated the locker room, and made "good luck" tags for the sportsmen. To promote school spirit, among students, the cheerleaders sold ribbons, T-shirts, tenna-topper balls, and supervised spirit week.

This summer five of the girls attended the National Cheerleaders Camp and competed with other area cheerleaders. Our cheerleaders won second place and brought home four blue ribbons. These twelve girls deserve recognition for a job well done.

"Higher and higher"; the Varsity Cheerleaders realize that Norview is moving forward after defeating Granby at the Pilots Homecoming.

"We are the Pilots, mighty, mighty Pilots" . . .

Like their big sisters, the Junior Varsity Cheerleaders promote school spirit throughout the year. They spurred the various Jr. Varsity teams on to victory with their catchy cheers and anxious, exuberant faces. The girls worked hard at making run-throughs for the J.V. football games and making "good luck" tags for all the boys who participated in Norview's J.V. sports. They also sold programs at all the varsity football games. The pride these girls have taken in their teams is evident in the hard work and enthusiasm they have put forth throughout the year. The J.V. Cheerleaders have helped to make Norview number one.

International Action – this is the true meaning of Interact. Good character and potential leadership add to the makings of an Interact member. Most of the activities center around a world fellowship dedicated to service and international understanding. Throughout the year, the club members attend Rotary meetings and luncheons and take part in an international project.

Sophomores are introduced to the new form and format of school life as they enter Norview for the first time. The Sophomore Class Council helps to acquaint these students with the school in all of its many facets. This year for the first time, the Sophomore Class was represented at the Homecoming festivities by a float made by their students. Norview will have a better class of juniors next year, due to the excellent guidance provided by Mrs. Dabney and the capable leadership of their council's officers.

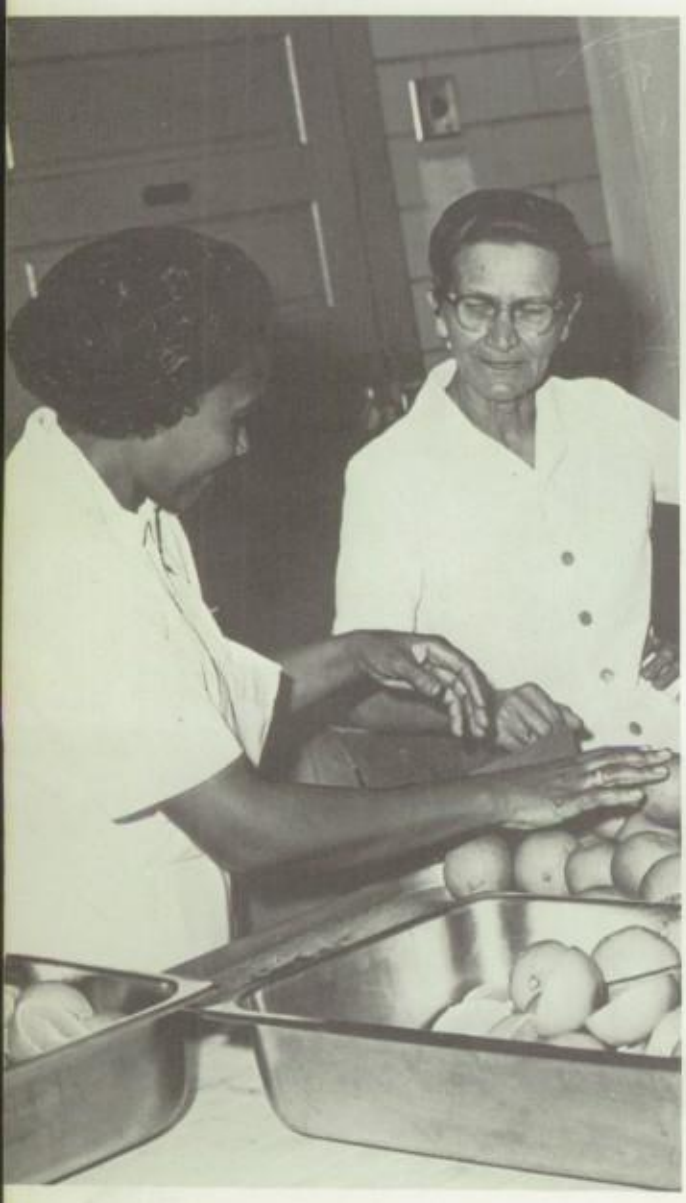
CAFETERIA

The cafeteria staff comes early and leaves late. Everyone hurries to make lunch for the vast number of empty stomachs that will storm through the cafeteria doors from 11:30 to 1:00 five days a week. Norview's staff is managed by Mrs. Lucie Smith who has a full time job keeping them going.

Right: Mrs. H. Joyner and Mrs. T. Garris prepare side dishes for the plate lunches. **Bottom left:** Mr. M. Moore stocks the shelves so there will not be a shortage of food for many hungry students. **Bottom right:** Mrs. L. Smith supervises as Mrs. B. Gray checks over the orange supply.



CLINIC

Above: "Mmm, she has the freshest mouth in town." Helping to care for the sick and providing for better health conditions in the student body becomes a full time job for our nurse, Mrs. L. Wright.

CUSTODIANS

Mrs. C. Smith, one of our maids cleans the halls after school so students can return to a clean building.

Far Left: Custodian Yancey Albert tries to decide which job he will do next.

Come see the making of power

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

Vepco

more power to you . . . at less cost

Happy reminder.

Life ahead offers many uncertainties.
But throughout the years one constant remains.
Your Balfour class ring. It will never fail as a happy reminder of the golden years you shared with your classmates. Wear it with pleasure.

Congratulate Their Graduating Seniors

Army schooling
Name your choice of training.

The Army has it! The Army offers training in your choice of hundreds of courses. These cover practically every phase of every job. They are designed to equip you for added responsibilities in the Army — to move you ahead in your military career. Even if you decide to return to civilian life after completing your military obligation, the training you get in the Army will give you an edge in getting the kind of job you want.

All Army training falls into three broad categories: Service Schools . . . Career Fields . . and the Combat Arms Program. You simply select the one that interests you most, and if you qualify, that particular program is guaranteed in writing by the Army before you enlist.

Army Recruiter.

Well, Yvonne
It was fun going
back & forward to school with
you. You was a lot of fun, but
I'm gonna miss not going to school
with you and Lillie next year. Yvonne
if you don't go no where please come to the
football games and see me. Cause I'll never
get you. Yvonne you've been a lot of fun to be
with. I hope you loose a little weight and make
something out of yourself. If your going to college
that's good. If you not still try to make something
out of yourself I know you can do it. Yvonne I
think your a very good looking girl and I know
you would make some guy happy in life. Be
what you want to be someone who
could write in here allday! Good luck in the
years to come, And may success follow you
wherever you go.
